

Pathway to PSIA-AASI Cross Country Level II Certification!

Follow this trail map to
achieve Level II certification.

1 Renew Your Membership!

- Renew your PSIA-AASI membership to access education resources, training opportunities, and membership perks

2 Sign Up for Regional Assessment

- Register for Level 2 Certification Assessment using the [Events Calendar](#)
- Look for a Welcome Email with further instructions upon registering

3 Attend On-Snow Training

- Attend on-snow [training](#) or [prep clinics](#) through PSIA-AASI or your ski school
- Receive personalized feedback on skiing, teaching, and readiness for assessment

4 Attend XC Level 2 Assessment!

- Demonstrate your proficiency of the [National Standards](#)
- Receive results, feedback, and recommendations for continued education

Explore These Resources:

- [XC Technical Manual](#)
- [Video Library](#)
- [Certification Standards](#)
- [Level 2 Assessment Form](#)
- [Performance Guides](#)
- [Webinars & Courses](#)

Complete Assessment Prerequisites:

- Current XC Level 1 Certification, or L2 Certification in another discipline
- [Cross Country Level 2 E-Learning Course](#)
- Level 2 Prep Clinic (may be waived on case-by-case basis)

Practice, Practice, Practice

- Spend time teaching beginner and intermediate skiers, shadowing lessons, and reflecting on your own technical, teaching, and people skills!

Maintain Active Certification

- Continue to earn CEU's by attending workshops, training opportunities, clinics, and [webinars](#)

(12 CEU's per 2 years needed)

Note: You don't have to complete the steps in this order. Your certification journey is unique to you and your goals!
